EVERY GARMENT BUILT TO LAST

DayStar is a company of people committed to our trade: striving to manufacture the best apron possible. Since opening our doors in 1998, we have consistently produced long lasting American-made aprons, cobblers, vests, and chef coats built to endure the toughest of work environments.

AMERICAN-MADE, THROUGH AND THROUGH

Intent on quality control, we keep every step of our manufacturing process in our line of site. Most of our fabric is woven in Alto, Georgia and finished in Tryon, Georgia using US polyester and cotton. Our thread comes from the Carolinas, our labels are woven from American yarn and the majority of our plastic components are produced right here in our hometown of Jasper, Georgia.

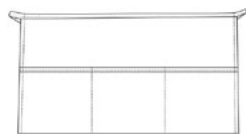

WE LIKE SUPPORTING AMERICAN
WORK, BUT EVEN MORE, WE LOVE
CREATING BEAUTIFUL, DURABLE
APRONS. AND THE BEST PLACE TO
DO THAT HAPPENS TO BE IN OUR
OWN BACKYARD.

THOUGHTFULLY SEWN. LONG-LASTING.

In the kitchen, aprons are armor and stains are battle scars. Our soil-release finish gently nudges stains to release when washed. Steadfast colors, reinforced stress points and American-made polyester/cotton twill allow each apron to stand up to the stress of the kitchen.

DAYSTAR COLOR SWATCHES

DayStar retains certain manufacturing rights which include, but are not limited to: fabric, size, color and sewing variances.

SINCE 1998, WE HAVE
BEEN OBSESSED WITH
MAKING THE BEST
APRON POSSIBLE.

MADE FOR YOU

We are happy to create custom aprons, cobbler's, vests or chef coats per your specifications, in the same top quality you expect from DayStar.

We manufacture custom garments in multiples of 40 pieces per color, size and style. Custom orders take about seven to ten business days to produce and are non-refundable. They may incur a 10% overage or shortage. With larger orders, custom colors may be available. Due to our commitment to quality, we can only take on a finite amount of custom work.

EMBROIDERED IN-HOUSE

We can embroider any garment upon your request with a company name or logo. Our embroidery service requires a 36-piece minimum per color, per style.

We recommend original artwork for a clean, crisp and professional look. Once you provide your artwork, we will digitize the file and present you with a sample item to approve before we complete your order.
